**TO THE LEADERSHIP OF EACH PARTICIPATING CONGREGATION IN THE ROUND ROBIN:**

**We will have two new speakers on our summer schedule that we look forward to hearing from. Adam Evans is the new preacher for the Waldron Church, and Les Henson works with the Washburn Church in addition to Randy Bridges who has spoken the last several summers.**

**This is also a reminder that the hosting congregation is responsible for paying the preacher \$75.00 for the evening.**

**Let's look forward to some GREAT times of being together and sharing in the joy and comfort of His Word.**

**Larry Bridges**

**I also have included information regarding our upcoming week with Dr. Don Patton set for June 6-11. We particularly encourage you to bring your teens to receive a sound scientific look at the reasonable approach of creation as opposed to evolution. Dr. Patton has conducted an average of twelve Creation/Evolution seminars a year over the last twenty-five years.**
